Water Polo Goal - Malmsten WP4 Optimized 2,5 m

Art. No. 1511008

The official goal for World Aquatics WP4.

Identical to our Official World Aquatics goal. This free-floating goal features a durable frame constructed from aluminum profiles. For enhanced visibility, both the frame and floating supports are powder-coated in yellow. The wide support design ensures excellent stability and buoyancy, keeping the goal securely afloat.

Water Polo 4x4 (“WP4”) features four players per team, a smaller field of play, and a shorter shot clock, creating a fast-paced and engaging style of play. This format is suitable for pools, beaches, rivers and oceans.

This goal suits perfectly for competitions as well as training activities, as it is high-quality and easy to handle.

Please Note: Refer to World Aquatics Competition Regulations for the latest updates.

Official World Aquatics, European Aquatics and PanAm Aquatics water polo equipment.

Advantages:

- Stable contruction
- Foldable for ease of storage and transport
- Allows adjustment of the water level position
- Removable castors for ease of transport and handling
- Quality Pro-net
