

ECIA
Interior Award
2026
Awarded for the most
forward-looking project in the
field of interior architecture

ECIA INTERIOR AWARD 2026

COMMUNICATION TOOLKIT FOR NATIONAL ORGANISATIONS

ABOUT THE AWARD

The ECIA Interior Award 2026 celebrates excellence in European interior architecture and design. Organised by the European Council of Interior Architects (ECIA), the award recognises projects that demonstrate how interior architecture can respond to contemporary challenges through responsible, human-centred and forward-looking design.

The 2026 edition focuses on:

Responsible Design Within Space

with a special emphasis on

Safety Within Space

The award is open to realised **residential** and **commercial** interior architecture projects designed by members of ECIA member organisations.

Projects will be evaluated using the Davos Quality System, considering criteria such as functionality, environment, diversity, context, beauty, and responsible design.

The award ceremony will take place in Warsaw in September 2026 during the ECIA General Assembly.

ECIA Interior Award 2026: Call for Entries

The European Council of Interior Architects (ECIA) invites members of ECIA member organisations to participate in the ECIA Interior Award 2026.

This edition focuses on Responsible Design Within Space, recognising projects that create safe, inclusive, sustainable, resilient and meaningful environments. The award celebrates interior architecture that contributes positively to people's wellbeing while addressing the social, environmental and cultural challenges of our time.

Interior
Architects

The competition is open to realised residential and commercial projects completed within the eligibility period. Projects will be assessed using the Davos Quality System and evaluated by an international jury of professionals.

Selected projects will gain visibility across Europe through ECIA communication channels and contribute to showcasing the value of interior architecture in creating better environments for society.

The winners will be announced during the ECIA General Assembly in Warsaw in September 2026.

Learn more and prepare your submission through the official ECIA Award website.

 ECIA Interior Award 2026 – Call for Entries

How can interior architecture create safer, more inclusive and more sustainable environments?

The ECIA Interior Award 2026 is now inviting submissions from members of ECIA member organisations across Europe.

This year's theme, Responsible Design Within Space, highlights projects that demonstrate how thoughtful interior architecture can improve wellbeing, accessibility, resilience and quality of life.

Projects will be evaluated using the Davos Quality System and recognised for their contribution to a high-quality built environment.

 Award Ceremony: Warsaw, September 2026, during the ECIA General Assembly.
