# HDRP Launch - Humanitarian Disaster and Resilience Plan

## **Prevention & Mitigation, Preparedness & Response & Recovery**

This first Humanitarian and Disaster Resilience Plan (HDRP) lays out some of our vision and ambition to take a more 'disaster risk management approach' to the somewhat predictable humanitarian challenges we continue to face

A shift to planning through a three pillared model, covering:

- 1) prevention and mitigation measures;**
- 2) preparedness and response; and,**
- 3) national system strengthening and recovery.**
