1 – название постройки

2 – части постройки

3 – из каких деталей конструктора состоит (называние деталей конструктора, называть пространственное расположение деталей, вверху, внизу, справа, слева)

4 – для чего предназначена постройка, как можно использовать в дальнейшей игре

5 – твое отношение к постройке (нравиться, не нравится, почему? Красивая, устойчивая, прочная и т.д.)
