16. In the event of any violation of the terms and conditions of this Deed of Easement, Grantee or the Committee may institute, in the name of the State of New Jersey, any proceedings to enforce these terms and conditions including the institution of suit to enjoin such violations and to require restoration of the Premises to its prior condition. Grantee or the Committee do not waive or forfeit the right to take any other legal action necessary to insure compliance with the terms, conditions, and purpose of this Deed of Easement by a prior failure to act.

17. This Deed of Easement imposes no obligation or restriction on the Grantor's use of the Premises except as specifically set forth in this Deed of Easement.

18. This Deed of Easement is binding upon the Grantor, the Grantor's heirs, executors, administrators, personal or legal representatives, successors and assigns and the Grantee; it shall be construed as a restriction running with the land and shall be binding upon any person to whom title to the Premises is transferred as well as upon the heirs, executors, administrators, personal or legal representatives, successors, and assigns of all such persons.

19. Throughout this Deed of Easement, the singular shall include the plural, and the masculine shall include the feminine, unless the text indicates otherwise.

21. 22. Grantor, Grantor's heirs, executors, administrators, personal or legal representatives, successors and assigns further transfers and conveys to Grantee all of the nonagricultural development rights and development credits appurtenant to the lands and Premises described herein. Nothing contained herein shall preclude the conveyance or retention of said rights by the Grantee as may be permitted by the laws of the State of New Jersey in the future. In the event that the law permits the conveyance of said development rights, Grantee agrees to reimburse the Committee at a certain percentage of the value of the development rights as determined at the time of the subsequent conveyance. The percentage of reimbursement shall be based on the respective funding contributions of the Grantee and Committee as set forth in the cost-sharing grant agreement entered into by Grantee and the Committee when these development rights are enrolled in the New Jersey Agriculture Retention and Development Program.

23. That portion of the net proceeds, representing the value of the land only (and not the value of the improvements), of a condemnation award or other disposition of the Premises following termination of this Deed of Easement, as permitted pursuant to N.J.S.A. 4:1C-11 et seq., P.L. 1983, c.32, shall be distributed among the Grantor and the Grantee in shares in proportion to the fair market value of their interests in the Premises on the date of execution of this Deed of Easement. For this purpose, the Grantee's allocable share of the proceeds shall be the net proceeds multiplied by a fraction, the numerator of which is the fair market value of the development easement as certified by the Committee at the time of the initial acquisition and the denominator of which is the full fair market value of the unrestricted Premises as certified by the Committee at the time of the initial acquisition, which is identified as (24,200/31,000).

Furthermore, in the event that this Deed of Easement is enrolled in the New Jersey Agriculture Retention and Development Program by the Committee providing the Grantee with a cost share grant for the acquisition of this Deed of Easement, the Grantee's proceeds shall be distributed among the Grantee and the Committee in shares in proportion to their respective cost share grants as set forth in the aforementioned cost sharing grant agreement. The Grantee shall use its share of the proceeds in a manner consistent with the provisions of N.J.S.A. 4:1C-11 et seq., P.L. 1983, c.32.

24. Grantor understands and accepts that Grantee may, at its sole option, apply to have this easement enrolled for participation in the State of New Jersey Agriculture Retention and Development Program as administered by the State Agriculture Development Committee. It is the intention of Grantor to convey to Grantee, by this present instrument, all of the rights which would have to be conveyed under N.J.S.A. 4:1C-11, et seq. and under N.J.A.C. 2:76-1.1, et seq. in order to qualify this easement for participation in the State Program. Grantor hereby agrees and undertakes to cooperate with Grantee in any appropriate aspect of the State application process and to execute any necessary papers presented by the State or by Grantee in connection therewith. Grantor hereby consents to the participation in or exercise of any of Grantee's rights and obligations hereunder by the State Agriculture Development Committee or any other State agency or political subdivision of the State of New Jersey. Grantee stipulates that any rights and prerogatives that this Deed of Easement extends to the Committee (which entity is neither a party to this conveyance nor to any of the negotiations and agreements leading up to same) are inchoate and shall not be exercised unless and until the Committee provides a cost share grant to the County for the acquisition of the Deed of Easement pursuant to N.J.S.A. 4:1C-11 et seq. and enters into a cost sharing grant agreement with the County.

25. No historic building or structure located on the Premises may be demolished by the grantor or any other person without the prior approval of the State Agriculture Development Committee. Historic building or structure is a building or structure that, as of the date of this Deed of Easement, has been included in the New Jersey Register of Historic Places established pursuant to N.J.S.A. 13:1B-15.128 et seq.

The Grantor signs this Deed of Easement as of the date of the top of the first page. If the Grantor is a corporation, this Deed of Easement is signed and attested to by its proper corporate officers, and its corporate seal, if any, is affixed.
