

A photograph of a brick building. In the upper left, a hanging sign features a crest with a red cross on a white shield, flanked by red triangles. Below the crest, the text 'LEEDS BREWERY'S' is in small letters, followed by 'Duke of York' in a large, stylized script, and 'EST 2013' in smaller letters. To the right, a large, multi-paned window is visible. Below the sign, a white rectangular box contains text. At the bottom of the image, a large window with a white frame is shown, with the words 'DUKE OF' visible in large blue letters above it.

LEEDS BREWERY'S
Duke of York
EST 2013

Here at the Duke of York we pride ourselves on being flexible and responding to the individual needs of every booking we receive.

We have various different areas which can cater for events ranging from a business lunch to a large evening meal, and from small informal drinks gathering to larger celebrations.

The Dining Room

This is the perfect space for a group of up to 25 people to have a sit-down meal within an intimate and comfortable surrounding. With 16th century beamed walls, and views overlooking Petergate and York Minster this is one of the most picturesque private dining spaces in York.

The Tap Room

Our tap room is situated downstairs behind the bar. With beamed low ceilings and fireplace it is bursting with character. It is the ideal location for groups of up to 35 drinkers as a casual and cosy drinking space, and accommodates a buffet selection perfectly. A small bar service hatch also allows your guests their very own access to the bar, meaning faster service for your guests on busy evenings.

The Landing

A great space for a party of 15-20 people.

As its name suggests this is the area at the top of the staircase. Overlooking the main bar it has the feeling of intimacy without losing the bustle and atmosphere of our lively venue, making it the perfect place to host a drinks reception. The area can be booked in conjunction with the dining room – perfect for a larger groups having a celebration with drinks and a buffet.

The Front Room

Situated opposite the bar, this is a great place for up to 25 drinkers, or up to 20 people dining. Light and bright, with views out onto Kings Square, it is perfect for lunchtimes, or evening drinks.
