BERGO SOFT TILE

bergo®
FLOORING

WORLD LEADER IN
MULTIFUNCTIONAL
FLOOR TILES

Bergo Flooring launches a new collection of soft flooring for wet areas.

BERGO SOFT TILE is an anti-bacterial, slipreducing and flexible floor tile for wet areas. Bergo Soft Tile offers new opportunities to build a soft floor covering in any desired size at pool, sauna, spa and gym facilities.

SOFT TILE has a safe, slip reducing construction. The floor is soft and warm under bare feet.

Usage areas

For public environments in changing rooms, bathrooms, showers, swimming pool surroundings, saunas, spa- and gym facilities and other wet spaces where mats have to provide added safety and comfort.

Advantages

- Slip reducing and comfortable
- Good drainage capability
- Sound absorbing
- Chemical resistant, FDA approved and antibacterial material
- Non-organic (non-moisture absorbing)

Minimal maintenance

The mats' ingenious design allows the water to flow freely. Cleaning is easy using a scrubber, water hose and/or power hose.

Accessories

- Edge strip – 376 x 55 mm, for a smart and safe finish.
- Corner strip – 55 x 55 mm.

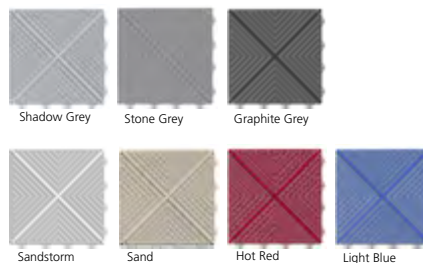

Technical information

Material: FDA approved and antibacterial, 100 % environmentally friendly recyclable PE-composite. PVC-free.

Size of tile: 380 x 380 mm.

Thickness: 10,3 mm.
