

EUROPEAN AQUATICS – MALMSTEN **RENEWED COLLABORATION**

October 2023

MALMSTEN CONTINUES TO BE THE OFFICIAL SPORTS EQUIPMENT SUPPLIER OF EUROPEAN AQUATICS

EUROPEAN AQUATICS is very pleased to declare that the Swedish company MALMSTEN AB continues to be the EUROPEAN AQUATICS' official supplier racing lanes, all aquatic disciplines field of play pool equipment, and accessories related thereto.

The continuing agreement between EUROPEAN AQUATICS and MALMSTEN extends full collaboration regarding the use of MALMSTEN equipment at the European Aquatics Championships, European Short Course Swimming Championships, Open Water Swimming Cup Legs, European Water Polo Championships and Water Polo Champions League Men (Group Stage and Final Tournament until 2024).

MALMSTEN will also continue to supply EUROPEAN AQUATICS with racing lanes including lane number signs and tension spring covers for swimming, divisional lines for Artistic Swimming, lines and buoys for Open Water Swimming, as well as the needed equipment for Water Polo, such as: Water Polo Goals and Field, Referee Catwalks, and Water Polo Ball Release Systems.

Moreover, we are proud to have in MALMSTEN our longstanding partner – now for 46 years, on for yet another 2, and still counting.

As the European governing body for swimming, diving, high diving, water polo, artistic swimming, open water swimming and masters, with affiliated Federations from 52 countries, EUROPEAN AQUATICS is proud to continue to rely on MALMSTEN in providing the best equipment available for the benefit of our athletes.

Best Regards,
