

Diving Judge Chair

Art. No. 2410021

Diving Judge Chair delivers exceptional stability and safety while fully complying with international competition standards. Manufactured from durable aluminum, it provides a solid seating platform and can be easily repositioned as required.

Official height requirements according to competition regulations:

Judges must be seated at least 2 meters above the water level.

When one judge is seated behind another, the chair must be 0.5 meters higher.

For synchronized diving events at 3 m or 10 m, six judges are positioned on one side in three rows, requiring chair heights of 2 m, 2.5 m, and 3 m.

Required Chair Configurations

For 1 m Springboard Competitions:

7 × 2 m judge chairs

For 3 m and 10 m Competitions:

7 × 2 m judge chairs

For Synchronized Diving (3 m or 10 m):

6 × 2 m judge chairs

4 × 2,5 m judge chairs

1 × 3 m judge chair

For complete information please refer to World Aquatics Competition Regulations.

Advantages:

- Stable aluminum construction
- Seat with water drainage
- Lightweight and easy to transport
