

Beach/Junior Water Polo Goal Malmsten 2.5 m

Art. No. 1511004

Identical to our popular senior water polo goal – the Official FINA goal – but beach/junior size. Free-floating model with reliable frame construction made of aluminum profiles, powder coated yellow and with floating supports in yellow as well. The width of the support ensures a stable and well afloat goal.

This goal suits perfectly for competitions as well as training activities, as it is high quality and easy to handle. The yellow color makes it perfect for beach activities.

In accordance with USA Water Polo Rules for U12 and Beach.
