# The Commune

---

Nestled in the heart of the Bernese countryside, Golaten charms visitors with its authentic charm, tranquility, and unspoiled natural surroundings. Surrounded by vast farmland, the town offers a peaceful living environment, ideal for those who wish to live close to nature while remaining near the region's major centers.

Bern, Murten, Kerzers, Lyss, and Aarberg are all within easy reach, offering a perfect balance between professional life and quality of life. Schools, shops, public transportation, and numerous recreational activities are nearby.

Golaten is thus an ideal location for families, nature lovers, and anyone seeking a peaceful living environment that combines modern comfort with excellent accessibility.

# The Project

---

Located in Golaten, in the heart of the Bernese countryside, this contemporary residence offers a privileged living environment where nature, tranquility, and modern architecture come together harmoniously. Surrounded by unspoiled countryside with unobstructed views of farmland, it combines quality of life, comfort, and proximity to major regional centers.

Comprising just six apartments, the residence offers bright, spacious units with high-quality finishes. From apartments with private gardens to contemporary lofts, each unit has been designed to provide an elegant and sustainable living environment.

The apartments feature open-concept kitchens, spacious living areas, private terraces or balconies, and beautiful views of the surrounding area. The duplexes offer the comfort of a single-family home, while the lofts appeal with their spacious layouts and contemporary architecture.

Built to the latest energy standards, the residence is equipped with individual solar panels, an elevator serving all floors, and a communal playground.

Located near Bern, Murten, Kerzers, Lyss, and Aarberg, Golaten is the ideal place to enjoy a natural setting while remaining close to all amenities.

# Construction

---

Built to the latest energy standards, this residence combines high-quality construction, comfortable living, and sustainability.

The ground-floor duplex apartments offer the comfort of a single-family home with three bedrooms, a spacious living room with a dining area and open kitchen, as well as a private garden and spacious terraces.

The first-floor apartments charm with their bright spaces, modern kitchens, and large balconies offering unobstructed views of the surrounding countryside.

In the attic, two elegant lofts feature generous open spaces, high ceilings, and exceptional natural light.

Each apartment is equipped with its own solar panel system, complemented by a system dedicated to the common areas, ensuring excellent energy efficiency and reduced operating costs.

An elevator serves all floors and provides barrier-free access, while a communal playground rounds out this high-quality residential offering.
