

TECHNICAL SHEET

CODE	4RP5MS
DESCRIPTION	P365 additivated polymer concrete drain channel, with Gridiron's special galvanized edge rails, suitable for grating dim. 365x500 H40, runoff section sqcm. 833. Loading class D400 accordingly to Standards UNI-EN 1433:2008 Norm as for installation instructions.
PRODUCT LINE	Drainage channel type "M"
MATERIAL	Polymer Concrete
SERIES TYPE	P series 365
SECTION TYPE	Standard
PROFILE TYPE	Galvanized edge
VERSION TYPE	Normal without built-in slope
LOADING CLASS	D400 - EN 1433:2008
