

That Burger Place are the cult favourite burger smashers from Salford. Inspired by their culinary travels across the West Coast of America, TBP have taken their love for California smash burgers and perfected their 'crispy edge' smash for their die-hard customers. In 2022 & 2024 they made the finals of the National Burger Awards and were listed amongst the top 16 burgers joints in the entire country. This menu is the very best of everything TBP; offering a true taste of the USA in the Northern Quarter.
